

Family PlayShop

Children learn and grow through play

Laugh • Play • Discover • Explore

Play Together

You and your child can play with toys and activities that encourage learning and healthy development.

Make Friends

You can meet and play with other children and caregivers.

Get Support

Each week the library will have an expert, like a speech therapist, nutritionist or others on hand to chat and play. You can ask questions and get information on raising healthy, happy children.

This program is designed for children birth – age 5 and their caregivers.

See other side for Family PlayShop events or visit carnegielibrary.org.
