A Visit from Carnegie Library of Pittsburgh

Which Book Did We Read?:

**Hey, Water!**
By Antoinette Portis

**We Are Water Protectors**
By Carole Lindstrom

**Crab Cake**
By Andrea Tsurumi

Children learn by talking with you. Ask:
What are some ways we use water in our home?

We learned a new word:
**steam**
(n) the vapor that water is converted to when it is heated.

"STEAM: You hide in the air and drift." from **Hey Water!**

Talking, singing, reading, writing and playing with young children helps them to be ready to read in Kindergarten. You are your child's first and most important teacher.
