Which Book Did We Read?:

**Hike**
By Pete Oswald

**How to Solve a Problem**
By Ashima Shiraishi

**How to Find a Fox**
By Nilah Magruder

Children learn by talking with you. Ask:
Can you remember a time when you had to solve a problem?

We learned a new word:
tremendously (adj) greatly large in size
“Once I had a problem and it stretched into the sky, it was tremendously endless” from How to Solve a Problem by Ashima Shiraishi

Reading Readiness Tip:
Wordless books like Hike are great for children who are learning to read. The absence of words lets your child focus on the plot and making predictions; some children even love to “read” wordless books to younger siblings!

Talking, singing, reading, writing and playing with young children helps them to be ready to read in Kindergarten. You are your child’s first and most important teacher.

I Love the Mountains

I love the mountains,
I love the rolling hills,
I love the flowers,
I love the daffodils,
I love the trees and
I love the animals,
Boom-dee-a-da,
Boom-dee-a-da,
Boom-dee-a-da (Aaaaaa-yay!)
